Ruslan Klymentiev
Data Scientist

Location: Kyiv, Ukraine
Phone: +380991137550
Email: rklymentiev@gmail.com
Website: https://defme.xyz

Summary

I have been working in the Data Science field for almost three years. Have experience with Python, R, SQL, statistical analysis, data visualization, classification/regression models, computer vision. Feel passionate about the combination of neuroscience domain and data science. My life credo is "Never stop learning". When I am not learning, I am travelling or hiking.

Language Skills

- Russian – native
- English – C1 (IELTS Academic Band: 7.5 || Scan)
- German – A1

Work Experience

- Data Science Instructor at DEVrepublik || Kyiv, Ukraine || 09/2019 – ...
  - curriculum design;
  - conducting theoretical and practical classes, workshops.

- Data Scientist at Bennett Data Science || remotely || 08/2018 – 08/2019
  - data cleaning & preprocessing;
  - data visualization and dashboards building;
  - classification/regression models building.

- Junior Data Analyst at Undisclosed || Odessa, Ukraine || 01/2017 – 05/2018

Education

- Master (ex-Specialist) in Electronic Instruments and Devices
  Odessa National Polytechnic University || Ukraine || 09/2014 – 07/2015 || Scan

- Bachelor in Radioelectronic Apparatuses
  Odessa National Polytechnic University || Ukraine || 09/2010 – 07/2014 || Scan

Certifications and Courses

- Statistics with R Specialization (Coursera) || [Certificate](#)

- Mathematics for Machine Learning Specialization (Coursera) || [Certificate](#)

- Deep Learning Specialization (Coursera) || [Certificate](#)

- Computational Neuroscience (Coursera) || [Certificate](#)

- Mathematical Biostatistics Boot Camp pt. I & II (Coursera) || Passed, no certificate

- Molecular Microbiology and Biotechnology Summer School (Odessa) || [Certificate](#)

Personal Hobbies

- rock climbing
- hiking
- whitewater rafting
